4	Ms. Nguyen Thi Kim Thanh	08/08	100%	
5	Mr. Nguyen Thanh Thai	08/08	100%	

3. Supervising the Board of Management by the Board of Directors:

During the first 6 months of 2025, the supervisory activities of the Board of Directors over the Executive Board were carried out in accordance with the Company's Internal Corporate Governance Regulations and the Board's Rules of Operation. Supervision was exercised through meetings aimed at closely monitoring the activities of the Executive Board and providing timely guidance and solutions to support the Company's overall development in the following areas:

- Supervising the implementation of the business production plan for the year, comparing and controlling actual performance against the plan. Concurrently, based on the actual situation, the BOD provides opinions on adjusting the business plan for each period to suit market fluctuations as well as the Company's business activities.
- Monitoring the implementation of the Board of Directors' resolutions by the Board of Management.
- Organizing the 2025 Annual General Meeting of Shareholders in strict accordance with current legal provisions on April 25, 2025.

- Promoting business operations, enhancing the quality of services currently provided to ensure stable annual revenues for the Company, and overseeing the execution of contracts with the Company's clients.
- Closely monitoring risk management in investment, business, cash flow management, and developing financial plans appropriate for each period as well as market fluctuations. Ensuring financial indicators are at a safe level, with stable cash flow to finance business activities, reinvestment, and debt repayment in 2025.
- Ensuring a working environment and promotion, salary increases, bonuses, and allowances for employees.
- The Executive Board has managed the Company's business operations in accordance with its assigned duties and authority as prescribed by law, the Company's Charter, and internal management regulations, while fully implementing the resolutions of the Board of Directors. The Executive Board has also ensured the provision of necessary information and facilitated the Board of Supervisors in accessing and reviewing the Company's financial position and other activities.

4. Activities of the Board of Directors' subcommittees:

In the first 6 months of 2025, the primary activities of the subcommittees include advising, contributing opinions, and supervising the 2025 business plans of member units and the Parent Company; the Subcommittees under the Board of Directors would like to report as follows:

4.1. Finance Subcommittee

- Advising on the 2025 business plans of the respective units.
- Managing and closely interacting with the Company's subsidiaries and member companies to ensure the most effective operations, including monitoring and evaluating the implementation of each company's business plan to ensure that the objectives set at the General Meeting of Shareholders are met.
- Ensuring the complete, timely, and effective review of reports and financial conditions, concurrently refining the internal financial control system and upgrading the risk management system of the finance and accounting department.
- Supervising the operations of the Finance – Accounting department to enhance governance practices and ensure compliance with regulations and standards.
- Performing the evaluation of feasibility study reports for existing projects and new development projects.

4.2. Development Policy Subcommittee

- Implementing the digital transformation plan for the Company, ensuring that this process is carried out efficiently and in harmony with the Company's overall development goals.
- Completing and implementing the corporate culture set, including defining the Vision, Mission, Core Values, and long-term development policy objectives. This helps create a positive working environment, encouraging creativity and sustainable development of the Company.
- Improving processes according to old ISO standards.
- Through its activities, the Development Policy Subcommittee plays an important role in shaping and promoting the Company's comprehensive development, from short-term to long-term goals, while ensuring that SAIGONTEL enters the future with proper preparation and shaping.
